

Fire at BCB Causes Extensive Damage

A fire which broke out in the BCB Television store last night did an estimated eight to ten thousand dollars damage in about a half hour.

Gazette staff working next door first detected an odor of smoke about 9:30 and after a hurried check of their premises, Danny Bonko went outside. Smoke could be seen through the BCB windows and he dashed back in to phone. Gazette phones were dead so he ran to Perron's store and phoned the fire department and also Chris Baart of BCB. Call was received at the fire hall at 9:35 and in about three minutes the fire truck arrived and volunteer firemen were running to the scene from all directions.

The doors were forced open, hoses run inside and also through the corridor dividing the building from the upholstery shop. In ten minutes the fire was under control and firemen remained on the scene for about an hour.

The fire apparently start-

ed on the rear side of a partition dividing the front section from the back which held shelves stocking television and radio tubes and highly inflammable acetate glue for model aircraft. Flames destroyed about half of the partition and the actual fire was confined to this small area in the back shop. The intense heat generated did the damage to the stock of radios, records and record players, television sets repair parts and supplies.

Chief Taterenko believed the heat would have blown out the windows had the crew been many minutes later arriving.

Damage to the building is probably in the neighborhood of two thousand dollars for wrecked wiring, peeled and cracked ceiling plaster and smoke and heat damage to the interior. Water damage was practically negligible.

Kinsmen Start new Tot-Lots

The St. Albert Kinsmen Club will complete two more Tot-Lots this year, an extension of their Centennial project, under which ten playgrounds will eventually provide for all of the preschoolers in the growing community.

Locations suggested by the parks and recreation department for the two lots at the median between Glen-

more and Greenview Crescents and at the junction of Sable Crescent and Sunset Boulevard.

The Kinsmen estimate the two lots will cost about \$2500 when equipped and this year's project will bring to four the number of Tot-Lots they have provided.

The club hopes to have the Tot-Lots ready about mid-May.

Junior Speakers Do Well

Finalists from elementary schools of both St. Albert school districts competed at the St. Albert Local A.T.A. Public Speaking competitions for Grades 5 and 6 at Father Jan School, April 3. All schools had previously conducted their own elimination contests.

Speaking Wednesday were Michael Stewart, Vital Grandin, with "Interplanetary Exploration"; Shirley Letts, Leo Nickerson, with "Summer Camp"; Allison Argy, S.A.M., her topic "Stanley and Livingston"; Catherine Phillips, George

Simpson, with "Her Sister"; Deborah Kremer, on "Why do People Lie"? Judges were Mrs. Robert O'Hara, Father Levangie and Lowell Thordson.

In announcing the winner Father Levangie noted there was but one point difference between the first and third place speakers. Presented with a trophy for placing first with 245 points out of a possible 300 was Catherine Phillips. All speakers prepared their own material and the excellent speeches showed a great deal of preparation.

Catherine Phillips of George Simpson School proudly displays the trophy she won Wednesday at the St. Albert Local A.T.A. Public Speaking contest.

Finalists in the St. Albert Local A.T.A. Public Speaking contest for Grades 5 and 6 are left to right: Michael Stewart, Shirley Letts, Allison Argy, Catherine Phillips, Deborah Kremer.

Minutes after their arrival volunteer firemen had the door forced open, releasing billows of smoke, and water hoses run into the BCB Television premises. Men with smoke masks and oxygen tanks entered first. Mike MacNeill in white coveralls is seen in the doorway with Frank Pudlowski, kneeling, taking in hose. Lee Berg (back to camera) and Paul Poulin prepare to run hose through the corridor between buildings at right.

The shelf area where the fire started photographed shortly before this section of a partition in the back shop collapsed. Lower shelf shows evidence of the intense heat which melted electronic tubes and caused extensive damage to stock above a four foot level throughout the store.

Council Impatient With Eyesore

Town Council could quite likely finalize this year's budget figures at a special meeting called for April 18, reports the secretary-treasurer, Mr. Jack Fleming. Work is still going on to establish any areas where further cuts could be made without curtailing basic services. To date neither the school or hospital requisitions have been received by council.

This year's assessment figure is \$17,200,000 up two million over the previous year. The increased assessment allows a drop of about 4 mills which will have an effective reducing of the Municipal mill rate of one mill.

At their meeting Monday night, council moved to get in touch with their solicitor, advising him that the Town's patience is at an end in regard to cleaning up the continuing eyesore at Jasper Auto Parts, and requesting a recommendation as to what the next positive step should be. Mr. Roberts, development control officer attended the meeting and was asked to investigate whether the new act will give greater powers of enforce-

ment to the town. Councillor Wheatley stated he would like to know if council could proceed to bring charges under the unsightly premises by-law.

During a discussion on various proposals for RCMP headquarters on a report from the development officer, it was brought out that the three proposals are all for varied specifications. A counter proposal by Mr. E. Perron was read and considered by council. It was rejected as it is felt the quarters would possibly become obsolete before the lease has expired, Mr. G. Voyer

was present and stated that he wished to have a chance to make a proposal on the bare necessities i.e. that empty space in which the town could erect partitions etc. The possibility of using the Apex building for these quarters was also considered. It was agreed that there was a certain urgency in this regard as the notice to vacate the present building expires in 20 days.

The matter was referred back to staff and will be discussed at a resumed meeting to be held April 11.

Paul Kane Boys Win Science Prizes

A group of Grade XII students in science teacher David Mellor's class at Paul Kane high school earned the Edward Hunter Gowan trophy a special physics section prize, and second prize in the B category for group projects at the Edmonton Regional Science Fair on Saturday.

The idea for a working

model of the human ear came from Dave Rogers and four boys put hundreds of hours building it. Wally Wright, Philip Burks, Jim Sideroff and Dave were assisted by Mr. Mellor, Principal Hrynew and classmates John Blackie, who did art work and Francis

Recreation News

The recreation department announces that the tennis courts have been opened to the public and quite a number of people have been playing. St. Albert's four asphalt tennis courts, new last year, are regulation size and standard and an excellent addition to the recreational facilities available here. Players are reminded that tennis or gym shoes are a must.

Enquiries regarding membership in the St. Albert Tennis Club should be directed to Mr. Jack Harding, treasurer, at 599-7313.

CHARM CLUBS

The afternoon Charm Club will hold their next meeting on April 22 at 1:30 p.m., in the clubhouse. The meeting of the evening club is cancelled for this week. The next meeting will be held on April 18 at 6 Gordon Crescent, - NOT the clubhouse, BASEBALL.

An important organizational meeting will be held on April 11 at 8:00 p.m., in the parish hall. All coaches, umpires and members of the administration committee are urged to attend.

At their regular meeting on April 2 the St. Albert Lions Club agreed to support a baseball league in St. Albert in co-operation with the department of parks & recreation for boys aged nine to 12. Mr. Rock Holman is chairman, Peter Mykityshyn Glen Ward, Bill Webber, John Huberdeau and Jack Garret were appointed members of the committee who will be working in close co-operation with the volunteer coaches and umpires. Mr. George Lee and Mr. Richard LaFleur, representing the Knights of Columbus have agreed to financially sponsor this league.

Over 200 boys have now joined the Hercules Soccer Division and more coaches are required. If willing to assist, please phone the department of parks and recreation at 599-6601, ext 37 or the manager of boys soccer, Lloyd Hopkins at 599-7887.

The St. Albert Womens' Institute were awarded first prize in the Handicraft competition held in conjunction with the constituency conference in Smoky Lake, April 6. Nine St. Albert members attended the conference, including Mrs. Roger Henry, who was a voting delegate and Mrs. Art Cunningham, a member of the courtesy committee. Provincial president Mrs. Martha Bellish spoke on the aims of the W.I.

The trip to Montana, which the St. Albert Air Cadet Band was to have taken over the Easter holidays, has had to be cancelled. C.O. Roy Hart told the Gazette that the current difficulties in the U.S. were one of the factors causing the trip to be called off.

Mr. and Mrs. John Bowen and their daughter Elizabeth 13 Greenvue Crescent, will be spending Easter week in Vancouver.

Mother's Help Group Make Plans

The second organizational meeting of the Mother's Help Organization was held April 5 at the clubhouse. Sixteen women representing several local groups attended and set up a working committee to determine the area's needs for a homemaker type of service and to decide how such a service could be set up locally.

Mr. Dale Jostin, a consultant from provincial welfare's social planning and development branch along with Mr. E. Harrison, director of preventive social services in St. Albert, provided the group with answers and information on setting up this service. Further meetings have been planned and interested citizens may call Mr. Harrison at 599-6601 for more information.

The Morinville leaders have been giving their assistance and the young Indian girls are reported to be very enthusiastic about joining the Canadian Girl Guides.

All over the Map

New provincial taxes will cost Canadians more than \$450 million this year. That bite, will give an uncomfortable boost to living costs already rising at a vicious pace. One indication of how much more it costs to live in Canada: consumer prices are now running about four and half percent higher than a year ago. On the other side of the coin, wage rates have been running about 7.5% higher than a year ago, says The Financial Post.

NATIVE PRODUCTS

The coconut palm, sugarcane, banana, mango, and bamboo are not native to the West Indies. These plants were introduced to the islands by European explorers.

County Council Briefs

A letter from Mrs. Bertha Speers for the U.C.W. of Namao was read to council requesting a grant from this Municipality to help defray the cost of publishing the history of the Community of Namao, said book to be called "A Cameo of the West". Council did not authorize a grant for the reason that it is not in accordance with the Municipal District Act, and also that other organizations have or are also preparing histories of their individual areas who have not nor will not receive financial assistance for such publications from this Municipality.

Mr. Blom's letter of February 20, was read to council in relation to a flooding problem to his land caused by the construction of the new East Gibbons Road. Mr. Bevington assured the council that he would rectify the problem as soon as possible this year.

A road complaint by A. Langner was referred to Mr. Van de Walle for his

consideration.

The Inspector's report of the Water Resources Division was read to council on the following flooding complaints:

(a) R. Toppauf - River Lot 27 Twp. 54, Rge. 25 W. 4th; (b) Henry Chaba - N 1/2 36-56-22-4; (c) Drainage Survey - Section 22-53-25-4.

Council authorized the secretary-treasurer to attend the secretary treasurer regional meeting to be held April 19, 1968, at 10:00 a.m. in the County of Leduc Office.

Messrs. Wilson, Bevington and Walker will attend the north east water pipe line meeting to be held Mar. 18, 1968 at 2:00 p.m. in the Pioneer House at Fort Sask.

Council agreed to postpone its application for automatic protection until the permanent crossing is installed at Mile 5.50, (CNR Redwater Spur Crossing).

The proposed plans for A.G.T. Buried Rural Distri-

bution project 3630 - Namao - Gibbons were approved.

A letter from Mr. Johnstone, managing director to the association was read to the council, requesting this Municipality's membership in the association. Public relations committee make a study and submit its recommendations to the council at the next meeting.

Legal Sportsman Dinner

Head table guests at the Sportsman's Dinner - Claus Thomas, Rev. Father Ricard, Louis Forcade, Maurice Chauvet, Robert Letourneau, Rene Maurier, Roger Bourbonnais, Laurent Coulombe, Richard Maurier, Daniel Prefontaine, Roland Prefontaine and George Prefontaine.

The Legal Father and Son Sportsman's Dinner, sponsored by the Knights of Columbus Youth Committee held last Thursday evening was testimonial to the resounding success the Minor Hockey League had this season.

Roger Bourbonnais, special guest speaker highlighted the program, along with presentation of player awards.

Master of ceremonies Rene Maurier opened the program calling for a word from Rev. Father Ricard.

Richard Maurier, coach of the bantam team spoke on behalf of all the coaches and in a few well chosen words thanked everyone for the cooperation the coaches received from parents and boys during the year.

An address on behalf of the players by Daniel Prefontaine was very complimentary. He praised the coaches, fellow players, and

especially the mothers for sharing their husbands during the hockey season.

Robert Letourneau of the juveniles also spoke on behalf of the players.

The parents were represented by Roland Prefontaine who stressed the point that the success of hockey in recent years has been due to the efforts of the people who formed the recreation board and those who helped build our centennial arena. This is something a community our size can be justifiably proud of.

Sturgeon Board Elects Officers

The March 12 meeting of the Sturgeon School Division heard the official declaration of the returning officers naming John McDonell and Lois Hole as trustees for subdivision one and four respectively, both for three-year terms.

George Wilson was elected chairman of the board for the ensuing year and Mr. McDonell vice-chairman.

COMMITTEE APPOINTMENTS

The board as a whole will serve as maintenance committee under the chairmanship of Lois Hole. The board will also serve as a whole as transportation committee Mr. Austin, chairman.

Mr. McDonell was named to represent the board at Zone 2 meetings.

Mr. Austin will continue as board representative to the Sturgeon School Administrator's Association.

Representative to regular meetings of the M.D. Sturgeon will continue to be Mr. McDonell, and Mr. Austin will continue to attend meetings of the Teacher's Sports committee on behalf of the board.

Mrs. Hole was appointed the board's representative to attend meetings of the St. Albert co-ordinating committee.

Council Will Control Moving of Buildings

When the M.D. Council re-convened Mar. 14 first item of business was a by-law to regulate the moving of buildings on municipal roads. Under this by-law, which was enacted at the meeting, a moving permit will be required for every building being towed, carried in any manner or moved on municipal roads. Cost was set at \$5 per permit, and fines will be imposed for infractions.

Under the vehicles and highway traffic act, council may (a) impose a fine (b) provide for reasonable punishment by imprisonment for any period not exceeding 60 days in the case of non-payment of the fine and costs inflicted for the breach of the by-law (c) provide that if the conviction is for the non-payment of a permit fee, the court on conviction may adjudge the payment thereof in addition to the fine.

This by-law does not pertain to the moving of granaries from one field to another.

Council moved to give authority to council members, secretary-treasurer, superintendent of public works, foreman and subforeman, building inspector, agricultural fieldman and his assistant, to check on all infractions of this by-law. They will record information as to person involved, license number etc., and be in a position to swear said information and evidence to the RCMP for prosecution.

The by-law (No. 59-68) will be published and copies mailed to moving contractors operating within the municipality.

CIVIL DEFENCE

Reg Austin, coordinator of the emergency measures organization for the municipality, attended the meeting and submitted a report to council on E.M.O. activities.

He stated that there is more interest shown since the City of Edmonton has joined the organization. He informed the council that there will be an E.M.O. control committee meeting of this area on April 1 at 7:30 p.m. in the committee room of this office. Fire chiefs and deputies of towns and villages within this municipality are invited to attend along with Mr. Valle of the fire commissioner's office. The requisition of the E.M.O. area for 1968-69 is based at 1.5 per capita on a total population of 27,591 which includes Gibbons, Legal, Morinville and St. Albert, for a total of \$413,87. As to the E.M.O. area budget, the municipalities involved are assessed on 1/8 of the total budget and the remaining 7/8 paid by the senior government on claims submitted. The Reeve thanked Mr. Austin for this report.

MUNICIPAL HOUSE

The secretary-treasurer informed the council that his office had been notified by phone that Mr. and Mrs. Hillman were to vacate the

Christophers Complete Course

RIVIERE QUI BARRE -

On Mar. 31 thirty-one Christophers from Riviere Qui-Barre, Mearns and Busby received certificates upon completing a ten week Christopher Leadership course. The course has been promoted in the area by Father T. Rozmahel who is also the spiritual director. The instructors were Brian Durling, Jim Falls and Richard Friedrich.

Mrs. Ed. (Beatrice) Arcand was voted, by her fellow Christophers the best speaker with a very worthy

Christopher project for the evening, for this she received the Christopher pin.

Upon conclusion of the meeting the Christophers presented a social period followed by a buffet supper.

Roger Bourbonnais our guest speaker gave us a very interesting account of his experiences at the Olympic Games in Grenoble, France this year, and some of the highlights of the games the Canadian National played in Geneva, Switzerland.

Following this awards were given to the top scorers and most valuable players of the following teams: M.V.P.

Stan Powers Gets Appointment

MORINVILLE - Mr. Stan Powers, former district agriculturist with the M. D. of Morinville has been appointed supervisor of weed control with the provincial department of agriculture. The appointment was announced April 3 by A. M. Wilson, director of the Alberta Plant Industry Division.

In his new position, Mr. Powers will assume responsibility for implementing and supervising policies under the noxious weeds and agricultural service board acts. He will also co-ordinate applied research programs in the field of weed control and use of herbicides. Mr. Powers will be working under the direction of W. Lobay, head of the weed control and Municipal Plant Industry Programs branch.

He has had wide experience in the fields of agricultural extension and weed control. His associations with agricultural service boards began in 1947 when he was employed as assistant fieldman by the M. D. of Westlock.

Mr. Powers is a veteran of the Second World War where he served five years with the army in Italy and northwest Europe. Following graduation from the University of Alberta in 1950, he served as agricultural fieldman with the M. D. of St. Paul until 1958 when he accepted the appointment of district agriculturist at Lac La Biche. He was serving the Ryley and Morinville districts in this capacity at the time of his present appointment.

Bon Accord Driving Course

BON ACCORD - The Bon Accord community centre is sponsoring a Defensive Driving School this month. A minimum of twenty people are required for the course which applies mainly to licensed drivers. It consists of four lessons --- two a week for two weeks. Suggested dates are: April 15, 17, 22 and 24. Registration fee is \$5.00. Anyone interested please phone 298-2109 or 298-3544.

The community centre and 324 Sturgeon Air Cadet Squadron wish to thank all those who attended the Blood Donor clinic held on April 3.

Thanks also from the cadets to everyone who came to try their luck at the pie shoot held on Mar. 23.

It is hoped that both the blood donor clinic and the pie shoot will become annual events in the community.

Legal Locals

We wish for all Gazette readers a very Holy and Happy Easter.

Do you feel you have done your share in supporting the arena this season? There's still time to do so, bring some baking donations for the pre-Easter bake sale April 13 at the Legal Coop Store. This bake sale is sponsored by the Christian Ladies with the proceeds for the arena.

A number of the local C.W.L. members attended the convention held in Vimy on April 2.

A Fete au Village meeting was held last Wednesday at the recreation centre. Mr. Walter Van de Walle was elected chairman of the Fete au Village committee. The committee encourages everyone to cooperate and work together for their annual celebration. Now we have our name "on the map" let's keep it there.

Best wishes are extended to Mr. Melchior Carriere, Mrs. Louis Casavant, Mrs. Marcel Dube and Mrs. Armand Massie who are patients in the hospital.

Welcome greetings are extended to Mr. Wilfred Demers who has now retired and bought a house in Legal.

The fire chief Raoul St. Jean and the deputy fire chief Norman Cyr travelled to Calgary last week to get the new Municipal fire truck. The truck will be for municipal and village use.

Mayor Leon St. Martin attended the Liberal Convention in Ottawa last week.

The Legal Cooperative Association Ltd., are cordially inviting all their members to their annual supper meeting at the Legal community hall on April 26. This will give members a chance to see what the store and bulk station have done in the past year and allow them to

have your say in the administration in the coming year. Two board members terms have run out, giving voters the privilege to either re-elect the same or elect new board members.

The Y.U.C.W.L. would like to express their appreciation to everyone who contributed in anyway to make their bake sale so successful last Saturday. Special thanks are also extended to the Coop management who enable them to hold the sale in the store. Winners of the raffle were: Mrs. Dick Hunting, Roger Brisson and Mrs. Georget.

The Senior Citizens enjoyed the Grade VI French and English classes when they rendered their short play "Meet Mr. Virus", and also a few songs at the Chateau Sturgeon. They were under the direction of Miss Simpson.

Norman Letourneau drove some twenty couples to the Twilight Retreat in his bus last Monday. This Minie Retreat was sponsored by the Christian Ladies and was enjoyed by all.

M.D. house on Mar. 15. A letter from Mr. A. Champagne was read asking council's permission for him to rent the said house on the same basis as the former renter.

Mr. Champagne's application will be considered and filed until the inside of the house is redecorated. Public works was authorized to redecorate the inside of the house, set a rental fee and have same rented to interested parties.

Plans of a proposed N.W. Utilities gas pipe line on 127 Street to serve the J. Harold and Sturgeon Crest subdivision were submitted for approval to council. Approval was granted subject to the condition that all road crossings be bored through and not ditched.

Plans for a Calgary Power transmission line to Imperial Oil Plant were reviewed by the council and approved as submitted.

C.N.R. CROSSINGS

Council approved the proposed plans for Redwater Industrial Lead for crossing municipal roads: at Mile 0.21 of 114.64 Vegreville Subdivision, Mile 2.14 Mile 4.09 Mile 8.52, Mile 7.31, Mile 3.23, subject to the condition that all approaches to crossings be restored to what they were prior to construction in relation to fills and gravel.

ROAD CLOSING REFUSED

A letter from W. L. Thomlinson of 25th Christ Church Boy Scout Group Committee of 10327-121 Street, Edmonton, was read to the council requesting that the above noted road be closed under by-law instead of leasing said portion of road through the director of surveys. Council voted against closing the road.

GRAVEL SALE

Letter from Mr. Ritchie, district engineer, was read to the council asking council's permission to purchase 3,000 cubic yards of crushed gravel from the municipal stockpile on the NE 3-54-

27-4 for the purpose of gravelling the east west road district road 734 A through the Alexander Reserve. Council approved the sale.

A letter from the secretary treasurer was read to council in relation to the drainage study in the Sturgeon River basin. Council of the town are prepared to assist this municipality in this proposed project.

ROAD GRANTS

Council will submit an application to the chief maintenance engineer of the highways department for a contingency grant to be allocated for the construction and gravelling of four miles of road on the correction line road, district road 727L, from the NE corner of section 34-54-25-4 going easterly to NE corner of section 32-54-24-4 which would complete said project on Highway 28 at an estimated cost of \$85,000.00.

An application will also be made to the highways department for a natural resources road grant to be allocated on the construction and gravelling of the following roads:

(a) From Highway No. 2 on 137 Avenue going westerly 2 1/2 miles, namely from the NE corner of the NW 23-53-25-4 to the SW corner of Section 28-53-25-4.

(b) From city limits north-erly on 156 Street for a distance of 2 1/2 miles, namely from the SW corner of the SW 14 - 53 - 25 - 4 going northerly 2 1/2 miles.

The estimated cost of the above noted two projects would be in the vicinity of \$200,000.00.

WATER RESERVOIR

Letter from the secretary treasurer of Legal was read to the council giving the following information on the cost of the reservoir.

Paid by P.F.R.A. approximately	\$9,827.00
Paid by Legal	5,303.24
Still Outstanding	1,227.75
Estimated cost to finish project	1,500.00

Estimated cost \$12,000.00 - Total of \$17,857.99 actual cost.

Moved that the public works committee and reeve meet with Mr. Rice of P.F.R.A. in relation to the cost and completion of project.

LEGAL--Miss Racheal Theberge was honoured Sunday afternoon at a miscellaneous shower held in the community hall. Racheal arrived accompanied by her mother Mrs. Joseph Theberge and Mrs. Eliason the future groom's mother while everyone sang "For She's a Jolly Good Person".

For her shower Racheal chose a lime basket weave wool dress trimmed with a fine gold braid, complimented by a corsage of white carnations.

Bouquets decorated the front table with the honored guest seated under a suspended novelty flowered umbrella arrangement in a chair decorated with flowers

GRAVEL QUARRY

Mr. Van de Walle questioned the members of the council if it would not be in the interest of this municipality to purchase a quarter of land with ample gravel deposit in the north east portion of this district.

The public works committee was asked to investigate the above mentioned possibility and make all necessary inquiries for such a purchase and submit its recommendations to the council.

RECREATIONAL INTERIM BOARD

The public relations committee was asked if it had appointed members of an interim recreational board as was authorized by council at the February meeting. The committee informed the council that they had not appointed such a board as yet but will be considering such at their next public relations meeting to be held April 5.

and balloons. The umbrella surprisingly burst - and covered Racheal with coloured confetti. Following the opening of the gifts she thanked everyone for gathering to wish her happiness and for all the beautiful gifts. Special thanks were extended to the hostesses Miss Jeannette Brisson and Connie Theberge for organizing such a lovely afternoon in her honour.

To complete the afternoon of fun and games a delicious lunch was served to 150 persons attending. Racheal will become the bride of Bill Eliason on April 20.

Vimy Column

On April 4, the junior high school students organized a "Hunger meal" consisting of spaghetti, bread and water. The profits of this meal were given by the students to a noble cause the "Share Lent, '68" campaign launched throughout Canada.

Mr. and Mrs. Gordon Canard celebrated their 25th wedding anniversary recently. Congratulations and best wishes for a long and happy life are extended to them from the Vimy district.

Presently hospitalized at the Immaculata hospital Mrs. Maurice Ringuette and Mrs. George Keiser. Best wishes for a speedy recovery.

4H Girls Entertain

LEGAL--Last week the 4-H Clothing Club members gave a short, but well rendered program of songs, speeches and modelling, at the Chateau Sturgeon for the senior citizens and a few guests. Father Garnier thanked the girls and leaders for having taken time to come to the Chateau to entertain and inform them on the 4-H movement. After the program, the matron, Mrs. Leguerrier, served coffee, fruit juice and cookies to everyone.

The 4-H Clothing Club's Achievement Day will be held April 23 at 8:00 p.m. at the recreation centre. Admission is free and everyone is welcome and urged to attend. Come and see what lovely sewing these girls can do and encourage them to further their club work.
